

Jones v. Carroll et al  
Honorable Mary Pat Thyne  
Case # 1:06-CV-00129

Your Honor,

I request a mediation hearing in the above referenced case (as soon as possible)... due to my deteriorating medical condition resulting from injuries sustained described in my complaint and due to the lack of activity on the case. Because I am still proceeding pro-se I am in need of the court's guidance in attempts to resolve or forward the case.

I have had continual conversations with Mrs. Ophelia Waters regarding the status of proceedings. She last indicated to me (and my Pastor) that there were some "deadlines" coming up. I am unclear as to what these deadlines are. Please schedule a mediation as the court would deem appropriate. In conclusion, please make me aware of any paperwork, exhibits or other info. I would need to bring.
